*Mission*

Bringing women together to collectively inspire and empower individuals and families to succeed within Delaware County.

*Priorities*

Provide support, awareness and leadership to the United Way of Delaware County's (UWDC) four impact areas (Education, Essential Services, Health, Income)

Help bridge the gap in the allocations process and provide special grants to address specific community issues

*2012 Focus*

Our focus this year includes mentorship initiatives that provide opportunities for young girls and women to build self-confidence and social success.
